Community Service

Community Service Hours are due April 15. To earn a certificate for 2009-10, students must turn in at least 30 hours for this year. Seniors seeking a medal at graduation should have at least 120 hours on file. Please see Mrs. Hassler if you have questions.

Attention Juniors & Seniors:

There has been some confusion on claiming your Tech Prep credit. **You cannot fill out your petition until you graduate from high school.** So, your Tech Prep credit will be held in escrow until you graduate. Once you graduate, then go online at texomatechprep.org and complete the online petition OR you can do so at the registrar's office. If you have any questions, please contact Mrs. Evans at 903-482-8849.
